What is
new at
FRES?

We had a cold week at FRES and unfortunately most days students had to be indoors for recess. But they made the best of the situation and found alternative ways to have fun and release some energy. We are hoping for warmer days when we return after spring break in March.

At FRES, a secure campus drill took place on Tuesday, February 18th and staff and students did a fabulous job.

This week 4th grade had their final popcorn sale on Friday, raising \$431.16 for the economic plant sale. Great job 4th graders! Funds will go to materials needed to grow plants for the annual town wide plant sale. More information to come in the spring.

This week we began introducing the CARES and kindness whole school student recognition awards. One student will be nominated and recognized each month. February teachers nominated students for the Cooperation Ambassador award.

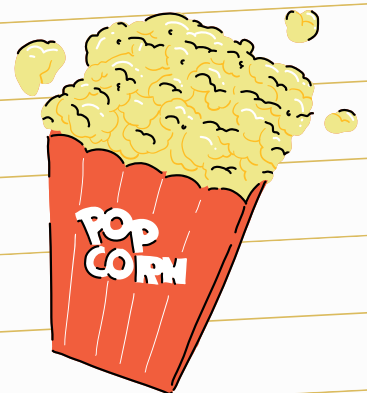

C - Cooperation
A - Assertion
R - Responsibility
E - Empathy
S - Self Control

Congratulations to the 5th grade boys and girls WJAA basketball teams! They both won their jamboree championship and girls were undefeated the entire season!

What is
new at
LCS?

This week at LCS, we endured the cold and got creative for indoor recess! Students have been reading, tapping, and spelling CVC (consonant vowel consonant) words. On Friday, we celebrated February vacation with pancakes and PJ's! Students and staff were cozy in their PJs and enjoyed some pancakes. Over February vacation, we encourage families to practice subtraction and addition facts together. Students can add and subtract objects around the house! On Friday, March 7th, we will have a visit from Steve Blunt the musician! Have a safe and healthy break!

GUIDANCE WITH MR. M

Hello LCS & FRES families!

I can't believe it's already February vacation! This year has flown by to say the least. The growth I've seen from our students in the past 6 months has been truly phenomenal. What impresses me most are students displays of kindness, selflessness, empathy, and independence.

Lunch groups are still going strong, along with individual counseling, group counseling, and class lessons. I've enjoyed the connections I've made with parents & guardians through out the year. For those I haven't had the pleasure to meet, always feel free to reach out with any comments, questions, or concerns that may arise with your kiddo. I'm here to help the best I can! I hope everyone has a safe and memorable break! See everyone soon.

With gratitude,
Samuel Metivier (Mr. M)

Dear Parents and Guardians,

We are writing to encourage you to attend the upcoming School District Meeting scheduled for Saturday, March 8th, beginning at 9 am. This meeting presents an important opportunity for you to have your voice heard as decisions are made regarding the school district budget for the 2025-2026 school year.

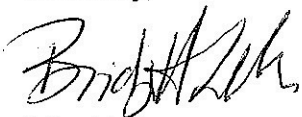

Your participation in this meeting is important. The budget directly impacts the resources, programs, and opportunities available to our students. Casting your vote ensures that the collective voice of our community is represented in decisions that affect our student's education.

We firmly believe that an informed and engaged community is essential to the success of our schools. Attending the meeting provides you with the information you need to make the best decision for our students.

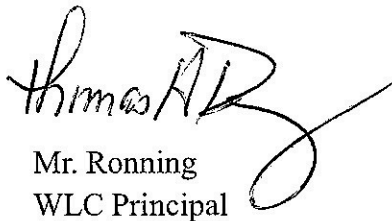

We encourage you to mark your calendars and make arrangements to join us. Your involvement will make a difference. If you are interested in child care during the meeting, the WLC National Honor Society will be available to watch your child so that you may be an active participant.

Thank you for sharing your ideas to make each of our schools better and for the continued support of our students.

Sincerely,

Mrs. Fuller
FRES/LCS Principal
