Dear Parents and Guardians,

As we move into the Spring sports season, we're reminded how unpredictable the weather can be. Rainouts and last-minute schedule changes often make it difficult to reschedule transportation - especially when buses are not available on short notice.

Your support in helping transport our student-athletes to games is more important than ever. If you're willing and able, please consider completing the necessary paperwork to become an approved driver. Your help ensures that our athletes can still compete, even when plans change quickly.

Thank you for your continued support of our programs and student-athletes!

The Advantage Kids Tennis Club will be hosting free tennis lessons at our new tennis courts starting on Saturday, April 26th at 9am. They would love to have you as we grow the interest and knowledge of tennis in our community. Please reach out to dawn@advantagekids.org to sign up for some Saturday morning tennis fun!
