Dear Warriors Community,

Happy Game Day! Today, our boys varsity soccer team travels to Mascenic to keep their winnings going after they defeated Holy Family Academy last Friday 3-0... wish the warriors luck! This past week, all of our middle and high school teams have been working hard to grow our programs. We are looking forward to our girls high school soccer team's first game of the season coming up on Monday at 4pm on our territory.

In the coming weeks, keep an eye out for our student athlete of the week, who will be chosen based on outstanding academic and athletic performance!

At this point in our fall season, concussion testing should be completed, and all required forms should be uploaded and signed. If this is not the case, your student is ineligible to participate in fall sports. Next week, grade checks will begin for students on academic probation. This is a reminder that if your student is on academic probation, they must see me, Ms. Brewster, to receive the required forms.
